Faculty Presenters

Jonathan Ledermann, MD, FRCP, FMed Sci
CRUK and UCL Cancer Trials Centre
UCL Cancer Institute
UCL Hospitals
London, United Kingdom

Frederik Marmé, MD PhD
University of Heidelberg
Germany

Prof Isabelle Ray Coquard
Clinical Science Institute of the
Léon Bérard Center
Lyon, France

Agenda

- Global experience using PARP inhibitors in treatment of ovarian cancer
- Which patient and disease factors influence the choice of PARPi and whether to use them in combination?
- How do you approach the use of PARP inhibitors in practice?
- How can we proactively manage PARP inhibitor-related adverse events to improve quality of life for patients?
- Summary, Final Thoughts and Q&A
